

ILLUSTRATION SHOWS TYPICAL PARTS ONLY. ORDER BY PART NUMBER. PARTS NOT LISTED ARE SUPPLIED BY OEM.

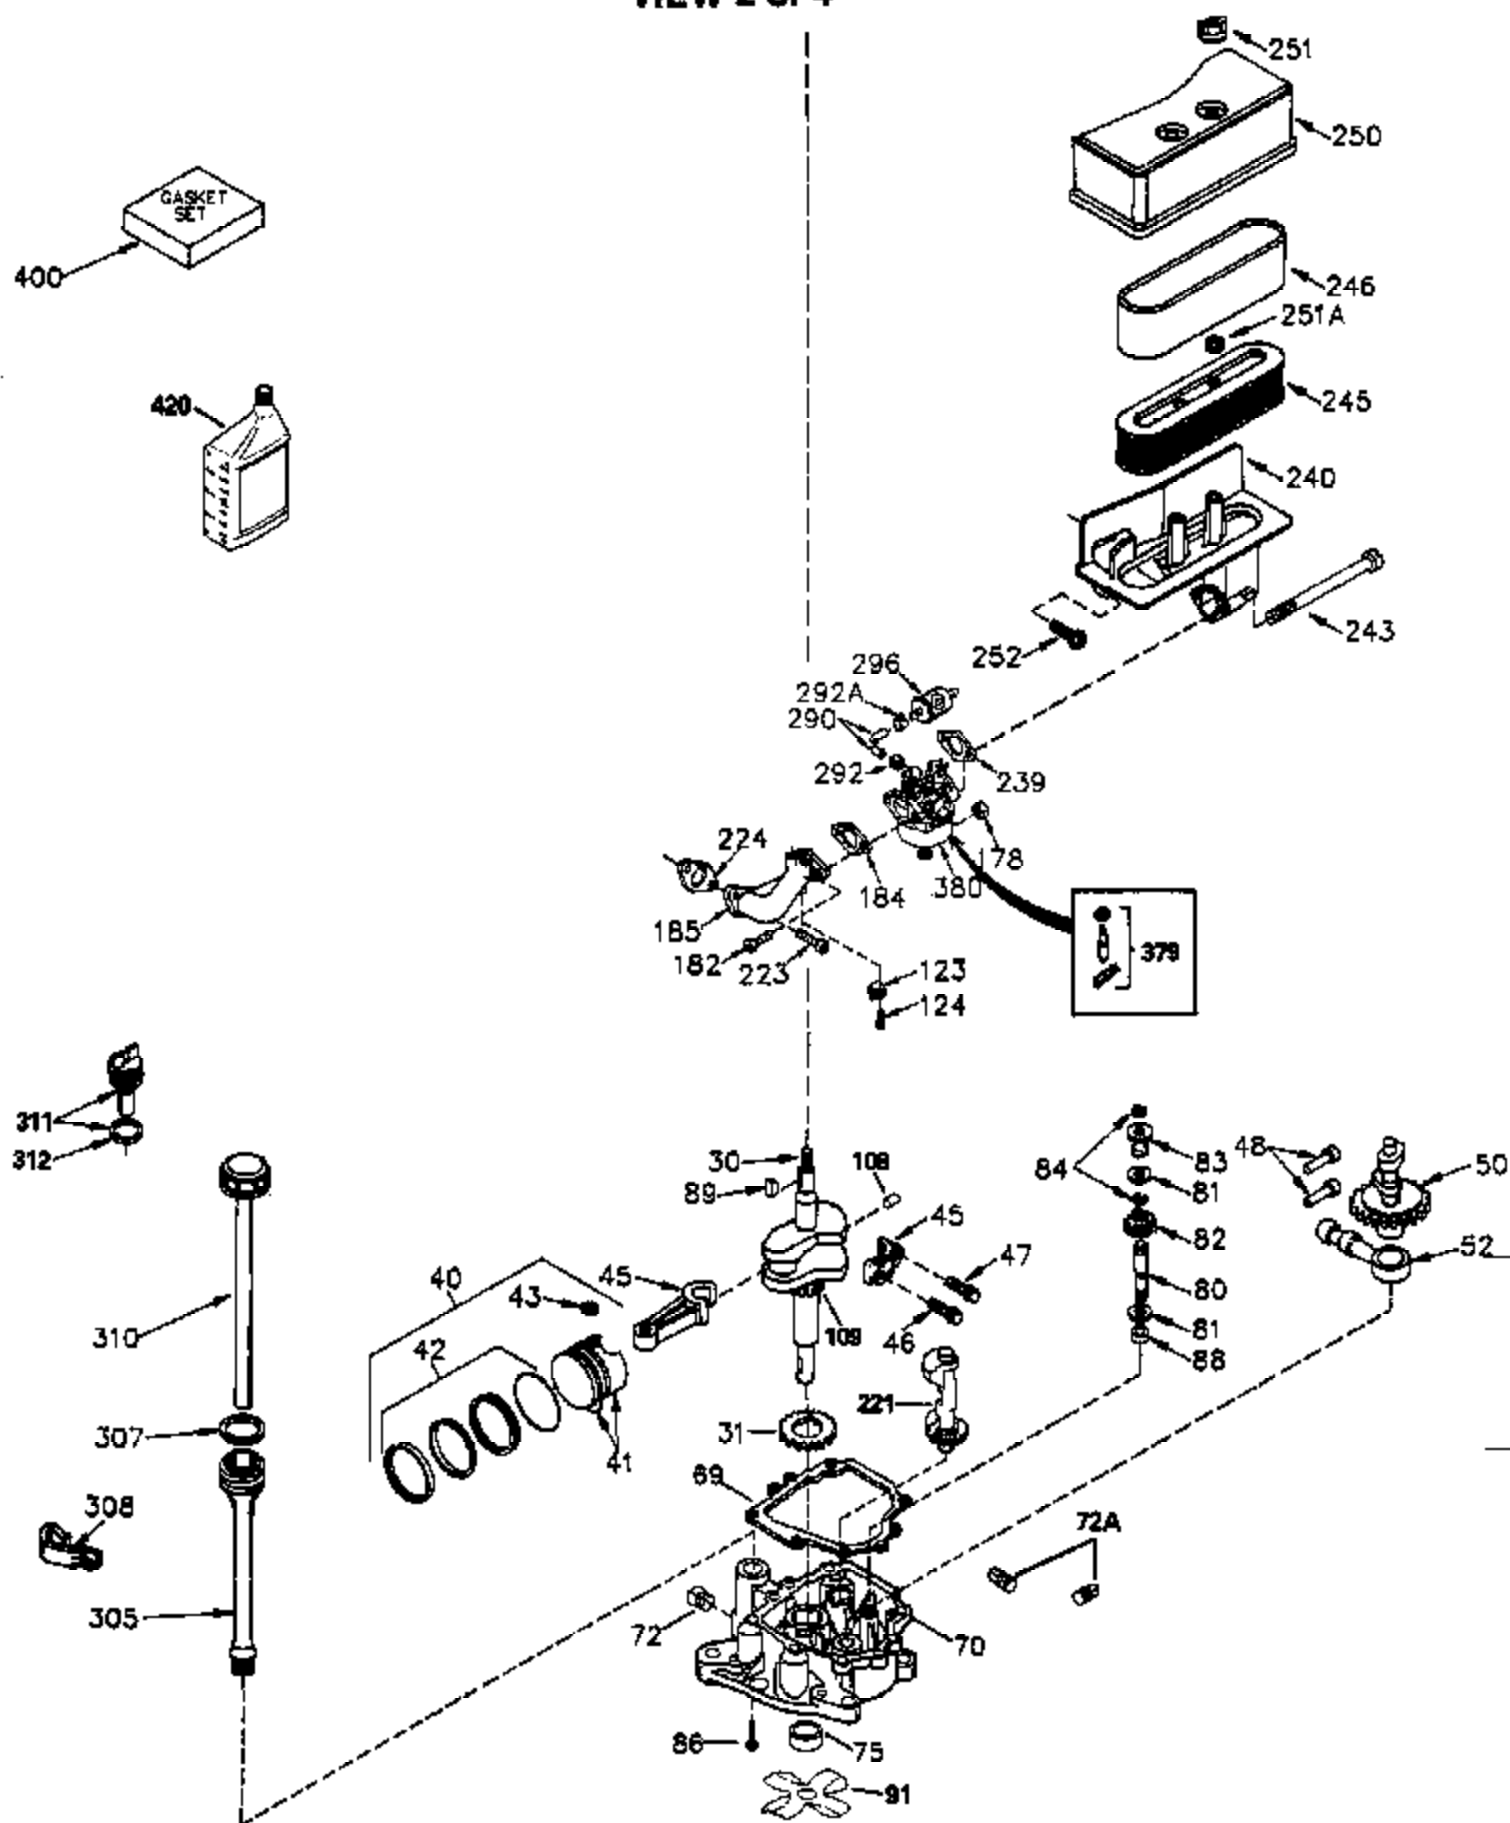

| Ref # | Part Number | Qty | Description                                    |
|-------|-------------|-----|------------------------------------------------|
| 1     | 35421       |     | Cylinder (Incl. 2 & 20) (3-5/16" Bore )        |
| 2     | 27652       |     | Dowel Pin                                      |
| 14    | 28277       |     | Washer                                         |
| 15    | 35082       |     | Governor Rod                                   |
| 16    | 32651       |     | Governor Lever                                 |
| 17    | 29916       |     | Governor Lever Clamp                           |
| 18    | 650548      |     | Screw, 8-32 x 5/16"                            |
| 19A   | 35988       |     | Extension Spring                               |
| 20    | 35319       |     | Oil Seal                                       |
| 26    | 650561      |     | Screw, 1/4-20 x 5/8"                           |
| 28    | 30322       |     | Lock Nut, 8-32                                 |
| 35    | 29826       |     | Screw, 10-32 x 3/4"                            |
| 36    | 29918       |     | Lock Washer                                    |
| 37    | 29216       |     | Lock Nut, 10-32                                |
| 38    | 29642       |     | Retaining Ring                                 |
| 51    | 35315A      |     | Counterbalance Weight                          |
| 60    | 33273A      |     | Blower Housing Extension                       |
| 62    | 650760      |     | Screw, 8-32 x 3/8"                             |
| 63    | 28545       |     | Grommet                                        |
| 64    | 30063       |     | Screw, Torx T-30, 1/4-20 x 1/2"                |
| 65    | 650128      |     | Screw, 10-24 x 1/2"                            |
| 68    | 33356       |     | Ground Terminal                                |
| 90    | 611094      |     | Flywheel (7 amp w/ring gear)                   |
| 92    | 650880      |     | Lock Washer                                    |
| 93    | 650881      |     | Flywheel Nut, 5/8-18                           |
| 100   | 35135       |     | Solid State Ignition                           |
| 101   | 610118      |     | Spark Plug Cover (use as required)             |
| 102   | 650872      |     | Solid State Mounting Stud                      |
| 103   | 650814      |     | Screw, Torx T-15, 10-24 x 1"                   |
| 119   | 34923A      |     | * Cylinder Head Gasket                         |
| 120   | 34030A      |     | Cylinder Head                                  |
| 125   | 27878A      |     | Exhaust Valve (Std.) (Incl. 151)               |
| 126   | 34035       |     | Intake Valve (Std.) (Incl. 151)                |
| 127   | 650691      |     | Washer (Do not use with 6021A screw)           |
| 128   | 650690      |     | Belleville Washer                              |
| 130   | 650694A     |     | Screw, 5/16-18 x 2"                            |
| 131   | 6021A       |     | Screw, 5/16-18 x 1-1/2" (Do not use w /650691) |
| 135   | 33636       |     | Resistor Spark Plug (RJ17LM)                   |
| 149   | 27882       |     | Valve Spring Cap (Exhaust)                     |
| 150   | 27881       |     | Valve Spring                                   |
| 151   | 32581       |     | Valve Spring Keeper                            |
| 169   | 27896A      |     | * Valve Cover Gasket                           |
| 170   | 28423       |     | Breather Body                                  |
| 171   | 28424       |     | Breather Element                               |
| 172   | 28425       |     | Valve Cover                                    |
| 173   | 35350       |     | Breather Tube                                  |
| 174   | 650128      |     | Screw, 10-24 x 1/2"                            |
| 186   | 33860       |     | Governor Link                                  |
| 200   | 35956       |     | Control Bracket (remote) (Incl. 203 & 204)     |
| 203   | 36208       |     | Compression Spring                             |
| 204   | 650690      |     | Screw, 6-32 x 1-1/8"                           |
| 209   | 650902      |     | Screw, 10-32 x 7/16"                           |
| 210   | 27793       |     | Conduit Clip                                   |
| 211   | 28942       |     | Screw, 10-32 x 3/8"                            |
| 238   | 650834      |     | Screw, 10-32 x 1-17/32"                        |
| 245A  | 35404       |     | Air Cleaner Filter                             |

| Ref # | Part Number | Qty | Description                                                                                                                                                                               |
|-------|-------------|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 260   | 35795A      |     | Blower Housing (for electric starter) NOTE: Replacement hardware may differ when servicing starter assy. or blower housing. Refer to Service Bulletin 508.                                |
| 261   | 650788      |     | Screw, 5/16-18 x 3/4"                                                                                                                                                                     |
| 262   | 29747B      |     | Screw, Torx T-40, 5/16-24 x 21/32"                                                                                                                                                        |
| 264   | 650802      |     | Screw, 1/4-20 x 5/8"                                                                                                                                                                      |
| 265   | 33272B      |     | Cylinder Head Cover                                                                                                                                                                       |
| 275   | 34185A      |     | Muffler                                                                                                                                                                                   |
| 276   | 31588       |     | Locking Plate                                                                                                                                                                             |
| 277   | 650729      |     | Screw, 5/16-18 x 3-3/16"                                                                                                                                                                  |
| 287   | 650936      |     | Screw, 10-32 x 13/32"                                                                                                                                                                     |
| 290   | 29774       |     | Fuel Line (braided 8-1/4") (21 cm)                                                                                                                                                        |
| 292A  | 35864       |     | Fuel Filter Clamp                                                                                                                                                                         |
| 298   | 28763       |     | Screw, 10-32 x 35/64"                                                                                                                                                                     |
| 300   | 33583B      |     | Fuel Tank (Incl. 292, 298 & 301)                                                                                                                                                          |
| 301   | 35355       |     | Fuel Cap NOTE: This tank was built with different size fuel inlet openings. Tanks with the 1-1/2" I.D. opening use fuel cap 33032. Tanks with the 1-3/4" I.D. opening use fuel cap 35355. |
| 308A  | 33997       |     | Fill Tube Clip                                                                                                                                                                            |
| 314   | 650873      |     | Screw, 1/4-20 x 3/4"                                                                                                                                                                      |
| 315   | 611104      |     | Alt. Coil (3/5 Split) (Incl. 321, 322 & 323)                                                                                                                                              |
| 321   | 611161      |     | Diode                                                                                                                                                                                     |
| 322   | 611142      |     | Connector Body                                                                                                                                                                            |
| 323   | 611118      |     | Terminal                                                                                                                                                                                  |
| 325   | 29443       |     | Wire Clip                                                                                                                                                                                 |
